

Education Alliance for Life Chances

Act Locally: Keighley

Early Impact from our first year of delivery (2023-2024)

'Keighley Food conversation' event to be held in Autumn 2024 on behalf of the Sustainable Food Places

Working to develop a Keighley campaign for supervised tooth brushing

Offering Keighley schools and practitioners Healthy Start Champions Training

Keighley schools agree to record school absences due to dental reasons

Working to improve children's oral health using a school based solution

Purchased over 2500 tooth brushing kits for nursery and primary school pupils

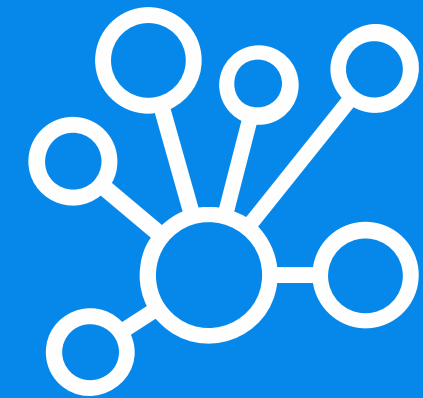

Achieved Highly Commended in the 'Celebrate as One' Bradford District Healthcare Awards 2023 for research initiative of the year

Collaborated with academic experts from Born in Bradford, Leeds University, York University and more

LIDA Open Data Science for Schools Project (LODSS) running for 2nd year

Increasing provision of activity outside the school gate (e.g. Coding Club)

"Enabling schools to lead data driven, place-based partnerships for children"
